A PUBLICATION OF BRIDGEPORT RESCUE MISSION

Let There Be JOY!

When they first come through our doors, the homeless men, women and children in our care may find it hard to remember the last time they felt a sense of joy in their lives. Despair, guilt and heartache often describe what they're feeling inside.

Through your financial gifts, volunteer participation and compassionate prayers you can *let there be joy* for our neighbors who are hurting this holiday season and beyond.

SERVING THE HUNGRY, HOMELESS AND ADDICTED OF COASTAL FAIRFIELD COUNTY

Get Connected

Dear Friend,

One of the things I enjoy most about being a grandparent is watching the joy and wonder my grandchildren experience as they see, learn and do new things.

Here at Bridgeport Rescue Mission, I see many of the same emotions in the lives of the men and women who are working to overcome addiction and homelessness or to build a stable future for their children. As they experience God's love and grow in their relationship with Him, their hearts are filled with joy when they learn of His grace and compassion . . . and their spirits are filled with wonder at His power to change their lives.

Your support allows our ministry to be a place where hurting people experience joy every day, in so many ways—from the comforts of nutritious food and safe shelter to opportunities for purpose-filled lives. And especially during the holidays, your gifts of time and treasure provide activities and gifts that bring to those in our care the childlike joy we all look forward to.

Thank you for your steadfast support this holiday season and into the new year. Your partnership truly brings joy to my heart as well. God bless you.

Blessings,

Terry Wilcox

Beth and her younger daughter enjoy their weekly time together.

"Alcohol had come in and out of my life, but had never been that important to me," says Beth, a graduate of our New Life Program for women. "I understood an alcoholic was someone who had to drink all the time, and if they didn't, they were miserable. I thought that didn't apply to me, but it became that way before I knew it. That's the trick of the disease."

A Mother's Journey to JOY

Beth had a comfortable life with her husband and two young daughters. She had given up her job to be a stay-at-home mom, but depression set in. "That's where the drinking started," she shares. As a result of her addiction, she separated from her husband and was unable to care for her children. When they went to live with relatives, her destructive behaviors only grew worse. She called us for help, and we told her to come right away. "The Mission gave me the opportunity to get out of the hopeless situation I was in," she says.

Beth's story continues in the Christmas letter you'll receive from us in just a few weeks. You'll learn how God is restoring her life, her faith and her relationships, and giving her a joy she's never known. Don't miss this opportunity to read how your gifts are making an impact in this mother's life this holiday season, and that of so many other men, women and children.

For Executive Director Terry Wilcox, one of the great joys of each holiday season is seeing men and women in recovery discover new hope through God's grace.

Show Compassion in Action this Holiday Season

We Need Turkey Teams!

Each year we need tons of turkeys to include in our **Great ThanksGiving Project** fixings bags and to prepare the thousands of meals we serve throughout the holiday season. Our Turkey Teams—who collect turkeys by the truckload or donate funds to purchase them—are a fun way for families, friends, companies and congregations to help their neighbors in coastal Fairfield County.

Our goal this year is 3,000 turkeys! If you and your group would like to take part, simply buy 12- to 15-pound frozen turkeys and deliver them to our Donation Center, 1069 Connecticut Avenue, Unit 2B, in Bridgeport, Tuesday through Saturday from 9 a.m. to 5 p.m. Or your team can donate \$20 for each “virtual” turkey you would like to contribute. Simply visit **BridgeportRescueMission.org**, go to our donation page and click on the “virtual turkey” option.

For more information on forming a Turkey Team, please email Donna Romano at **DRomano@BridgeportRescueMission.org**.

Help Bridgeport Rescue Mission provide a joy-filled holiday experience for the homeless men, women and children in our shelters and for struggling neighbors in the community who might otherwise be forgotten.

Last year's Turkey Teams raised \$22,800 collectively! A special shout-out goes to Congregation Beth El, Trumbull Facebook Groups United, and S.S. Norden Club—these groups did a great job of garnering support from their friends and associates!

Fill Bedtime Bags for Kids

Fill a Christmas gift bag (or one you've decorated yourself) with the following items for a boy or girl: a bedtime storybook*; a small stuffed animal; a child's toothbrush and toothpaste; and a washcloth and mild soap. Also include a note with a message of encouragement.

*We suggest "The Gift of the Christmas Cookie: Sharing the True Meaning of Jesus' Birth" or "The Berenstain Bears and the Joy of Giving."

Blankets for Struggling Neighbors

We'll distribute **Bedtime Bags** along with warm blankets to more than 500 families in need. Your donations of new or gently used blankets, quilts and comforters will be truly appreciated.

WE NEED COATS

15,000 in all!

We will give away nearly 15,000 gently used coats and other winter-wear items to families and individuals in need.

Encourage your Sunday school class, synagogue, work group or civic organization to hold a drive for gently used items for children and adults:

- * **Coats in all sizes**
- * **Hats, gloves and scarves**
- * **Winter boots of all sizes**

Then deliver them to our Donation Center, 1069 Connecticut Avenue, Unit 2B, in Bridgeport, Tuesday through Saturday from 9 a.m. to 5 p.m. Please contact Courtney Pandolfi at 203-333-4087, ext. 112, or **CPandolfi@BridgeportRescueMission.org** for more details and to let us know you can help!

"It's been a blessing to me personally to be part of the coat distribution. A warm coat is a basic that we all need and when I see the appreciation and excitement in the eyes of the moms and kids—and the homeless men—as we help them select a coat, it truly warms my heart. I've been fortunate in my own life and I'm grateful for this opportunity to give back."

—a returning coat-distribution volunteer

"My kids outgrow their coats so quickly and I can't afford to buy new ones. It's such a relief to know they can get good coats that fit at the Mission's Thanksgiving coat distribution."

—a grateful mother
